

The Leadership Report

Personal Insights For Leaders At All Levels

If you want to make a real impact as a leader, you need The Leadership Report.

Featuring 51 pages of tailored insights, The Leadership Report includes a communication checklist, productivity boosters, and guidance for improving teamwork.

Harnessing the combined power of **DISC** and **12 Driving Forces®**, the report reveals behavior and motivation patterns, clarifying opportunities and challenges.

Use The Leadership Report to:

- Enhance communication
- Create opportunities for teamwork
- Manage employees to their highest potential
- Use your environment to help you be at your best
- Identify areas of potential conflict
- Uncover strengths and boost results
- Understand the difference between your natural and adaptive styles
- Kickstart professional growth

Key to Transformation

The Leadership Report is more than just an assessment—it's your personalized roadmap to transformational leadership.
